

# NEW

## PEERLESS/SOUTHERN AG CARRIERS 45' DRYING TRAILER

### COMBINES

...a heavy duty container chassis selected specifically to meet your needs,

### WITH

...a new all steel drying box designed specifically to dry peanuts in the same reliable fashion as the traditional wagons...consistently and efficiently.

### OUR "BASIC" TRAILER

...includes the fully inspected chassis and a drying box available in varying side heights to help with overloading problems.

### OPTIONS INCLUDE

- > Retread tires/rims
- > Cleanout gate
- > Sandblast chassis
- > New tires/rims
- > Tarp
- > Brake/drum work (quoted separately)

Peerless and Southern Ag Carriers are proud to introduce this NEW peanut product to the peanut industry. A mutual concern for "safety" and "consistency" motivated us to offer this trailer. Call us today for more details and pricing.
